

THE SCOTT ARBORETUM  
OF SWARTHMORE COLLEGE

# *Perennial Plant Inventory*

A List of Living Perennial Plants  
at the Scott Arboretum as of June 2024

As a result of an initiative that began in 2016, this handbook represents the early stages of the documentation of the perennials plants in the collections of the Scott Arboretum of Swarthmore College. Additional database entries of existing perennials, as well as new perennial plant installations, will continue to be recorded and reported in future Perennial Plant Inventory handbooks.
